# Institute Syllabus

### Session 1

**Prior to Session 1 read** Rebuilding for Learning<sup>™</sup>: Addressing Barriers to Learning and Teaching, and Re-engaging Students. (pps. 1-34)

## What is the Rebuilding for Learning Initiative and Why is it Needed?

### **Key topics explored:**

- · What is the aim of the initiative and why is it needed?
- · Objectives and overview
- · Why is a system of learning supports imperative for school success?
- · What is currently being done and why isn't it working?
- · What lenses need to be used to see what's missing in school improvement planning?

#### Session 2

# What is a Comprehensive System of Learning Supports? Part A: Intervention Framework

## **Key topics explored:**

- · What are learning supports?
- · Blueprints for reframing intervention
  - · Levels of intervention
  - Content arenas

### Session 3

# What is a Comprehensive System of Learning Supports? Part B: Reworking the Operational and Organiztional Infrastructive Part C: Policy Impications

# **Key topics explored:**

- · Part B: Reworking the operational and organizational infrastructure
  - Blueprints for designing operational and organizational infrastructure
    - At school and school complex levels
    - At the district level
    - For school-community collaboration
- Part C: Policy implications
  - · Ending the marginalization of an enabling or learning supports component
    - Expanding school improvement policy
    - Expanding school accountability

#### Session 4

## **Intrinsic Motivation**

## Key topics explored:

- About the third lens: Engaging and re-engaging students in classroom instruction
- · Motivation: beyond reinforcement theory
- Understanding the motivational bases for disengagement
- · Re-engaging students

#### Section 5

## **School Transformation is About Systemic Change**

## Key topics explored:

- · The challenge of getting from here to there
- · Phases, steps, and linked logic models
- · System change infrastructure and strategies
- The importance of expanding the accountability framework

### Session 6

# **Designing a Comprehensive System of Learning Supports and Strategically Planning its Implementation**

## **Key topics explored:**

- Developing a prototype design document for a comprehensive system of learning supports
- Initial strategic and action planning for transformation
- · Institute concluding comments
