
Are you involved in planning for the coming school year?

OUR CENTER IS! And, in keeping with our mission (click on **About Us** on our homepage <https://smhp.psych.ucla.edu/>)
we need your feedback about ways we can do better in helping schools address barriers to learning and teaching.

We would appreciate your indication about those aspects of our work you find helpful and what you think we should change and/or add to be more helpful.

Any feedback will be valuable as we plan improvements.

Thanks for all you do to enhance the well-being of children and youth.

Best wishes and be well,

Howard & Linda
